Foreword

Let a new earth rise. Let another world be born. Let a bloody peace be written in the sky. Let a second generation full of courage issue forth; let a people loving freedom come to growth. Let a beauty full of healing and a strength of final clenching be the pulsing in our spirits and our blood. Let the martial songs be written, let the dirges disappear. Let a race of men now rise and take control.

– Margaret Walker
excerpt from "For My People"

As the 1970 graduating class of Norton High School we realize that we must now collect our memories here for they will shape our dreams in the future. It is true we have acquired knowledge, but we have also acquired understanding and wisdom to make that knowledge work for the benefit of mankind. We feel that we are that "second generation full of courage" and that in time we will give birth to a new world.

Dedication

Over our years at Norton High our associations have been great in number, but each year the Senior Class finds one person who in its opinion has contributed to the school extensively. This year we have seen fit to dedicate the 1970 Sojourn to Mr. Charles Gaides. Four years ago he became a member of the Norton High Faculty and since then the student body has increasingly benefited from his presence outside as well as inside the classroom. Mr. Gaides formed the Earth Science Club, a very large and active organization. He coaches our Cross Country and Track teams. Mr. Gaides' loyalty is commendable for he is at countless school functions usually behind the scenes lending a helping hand.

We recognize Mr. Charles Gaides as a truly wonderful person whose congenial manner, coupled with his devotion to our high school has led the Class of 1970 to dedicate this book to him with love and gratitude.

Mr. Charles Gaides

"Let a new earth rise. Let another world be born."

A Message From the Principal

With your graduation in June, a new decade—the Seventies—will be several months old. What will you bring to probably the ten most important years of your life? Honor—Integrity—Love of Country are still the great virtues. These joined with your own joie de vivre will enable you to bring much to your country and you in turn to receive much happiness and satisfaction.

With very best wishes,

Henri A. Yelle,
Principal

Superintendent

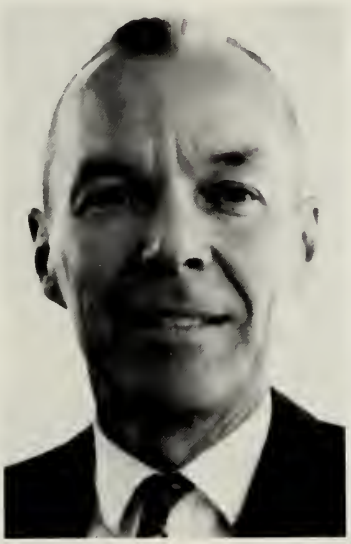
DR. GEORGE MacARTHUR

In the book of Proverbs (4:7) there appears this comment: "Wisdom is the thing; therefore, get wisdom."

This observation is as true today as it was in the age of the early Israelites. We all recognize the importance of wisdom and the necessity for acquiring as much of it as possible if we are to lead successful and happy lives.

Your teachers have done everything possible to provide you with the tools and skills necessary for acquiring knowledge. It is up to you to take with you from your school years the habits of study and learning which are necessary to further acquire wisdom. Do not let graduation mark the end, but really the beginning, of your education. Education is a continuing process. Do not stop this important task in the middle; see it all the way through.

Dr. George A. MacArthur,
Superintendent of Schools



Assistant Principal

To the Class of 1970

Historians are already evaluating the 1960's. To many, the chief characteristic is rapid change or revolution in all fields of human endeavor. We are all aware of the numerous areas where conflict has taken place. Social, political, military, and moral conflicts seem to receive the greatest attention. Many people accept change for the sake of change, with little regard for the value and consequences of their act.

To the young men and women of the Class of 1970 entering such a society presents many difficulties; however, you possess ability to reason and think critically, for yourself; My sincere hope is that each member will use these talents to the fullest and become a responsible member of society.

Knowing that you will accept the above, the future is in good hands.

Best wishes,

1969-1970 Student Council

With the help of Mr. Maurice Splaine as advisor, this year's Student Council has been very active in school functions. Among its accomplishments are: revising the dress code, sponsoring dances, collecting money for children in Biafra, conducting pep rallies and moratorium exercises, the purchasing of a Coke machine, holding a student body meeting, and arranging with the Art Club for the painting of a mural for the High School cafeteria.

Officers of the Student Council are: *(front row)* Steve Rubin, President; Rosemary Fernandes, Treasurer; *(back row)* Janet Willey, Vice President; and Beryl Reid, Secretary.

Members are: *(seated)* P. Gonsalves, D. Freedman, V. Berg, L. Gefis; *(standing)* K. Berg, C. Charette, D. Alston, W. Goddard, and M. Araujo.

The Thanksgiving Bonfire is one of the many activities sponsored by the Student Council.

The Student Council consists of twenty-four members, elected by homerooms. The officers were elected at the end of last year by the student body. Meetings are held once a week during school time, with occasional special meetings after school hours.

On two occasions, a representative of the Student Council attended meetings of the school committee. This year we are fortunate that good student body-administration bonds have been built to help the Student Council become a more effective part of student activity and government.

The Welcome Dance was sponsored by both the Student Council and the Senior Class.

Members are: *(seated)* J. Ross, R. Stentiford, B. Lopes; *(standing)* L. LaPointe, L. Young, J. Robitaille, B. Lesperance, L. Griffin, D. Vital, and M. Abreu.

President Rosemary Fernandes finds it hard putting pep rallies together.

Under the direction of Mr. Fitzpatrick, the membership of the Pep Club is open to all students from grades nine through twelve. The main purpose of the Pep Club is to encourage greater school spirit.

This year the club has worked very hard to sponsor busses to the away games, and to furnish the students with football programs. It has also sponsored several pep rallies throughout the year. Together with the help of the Student Council, a bonfire pep rally was held in the back of the school the night preceding the Thanksgiving game.

Yearbook Staff

Editors of the "Sojourn" are: Cheryl Holbert, Associate Editor; Gene Rich, Editor-in-chief; and June Freedman, Associate Editor.

Looking over the photographer's schedule are Miss Grace Kiernan, Yearbook Advisor, and Gene Rich.

Each June, Miss Grace B. Kiernan, Yearbook Advisor, selects the yearbook staff from those seniors who have applied for each job. After the editor and staffs are announced, various plans go into effect. Over the summer, the Advertising Staff works hard soliciting aid to finance the book. During the fall, the Business Staff seeks prospective yearbook buyers, while the Quotation Staff is busy writing their descriptive matter, and the yearbook typist spends many an hour at the keyboard. Meanwhile, the editors are making well-established plans for the book. Over endless hours of planning, picture taking, cropping, copy writing and proofreading, the book begins to take shape through the help of Miss Kiernan, deadlines are met and the "Sojourn" arrives at the end of the year.

Earth Science Club

Officers of the Earth Science Club are: *(standing)* T. Ohlson, President; *(seated)* J. Logan, Vice-President; V. Berg, Secretary; and M. Yarusities; Treasurer.

The main objective of the Earth Science Club is to make the earth science course fun and practical. The club goes on various field trips to museums, geological formations, and an observatory. Much time is put into the preparation of the field trips. These trips are financed by the club's organizing cookie and cake sales, movies, the sale of pennants and shakers, and the selling of refreshments at basketball games. The membership is only slightly limited, all members must be taking the earth science course. This is to enable all members to use their knowledge in recognizing and appreciating geological formations and astronomical occurrences. The club, in a sense, is a tool to channel the student's interest in the subject through the learning experience of activity.

Members are: *(row one)* J. Lynch, D. Dion, K. Mulcahy, L. Mendes, D. Alves, D. Gray, Mr. Gaides, Advisor; T. Ohlson, J. Logan, Morgan, N. B. V. Berg, M. Yarusites, L. Griffin, D. Riggs, C. Careers in Mental Health

Mrs. Frank Todorsky, area representative for Mental Health.

Foxboro State Mental Health Hospital has pioneered a program to promote a better understanding of Mental Health and its treament. Two seniors from each High School of the surrounding area were chosen to participate in the program after school every Thursday. Gene Rich and Beryl Reid are the two seniors chosen from Norton. A junior, Susan Todorsky, is also a participant in the program.

Each week the students look at a different aspect of mental health and its care. The various fields fall under such titles as Social Service, psychiatry, psychology, occupational therapy, medicine, nursing and pharmacy. After an hour is spent in these services, the participants have an hour of discussion with Dr. E. Montgomery, assistant superintendent of the hospital.

Mrs. Virginia Maher, Advisor

The work-experience opportunities which the library offers and the challenge which it extends to young people is designed to broaden their personal experiences. Student library aides serve in furthering the use of library materials, and become more adept in the use of books and libraries. A variety of activities: circulation services, book processing, magazine and newspaper services, vertical file services, reference work, cataloging and general clerical services help promote cooperative attitudes between the librarian and the students and provide increased and improved library service to the school community.

Members of the Library Club are: *(front row)* D. Dion, K. Mulcahy, D. Pickering, D. White; *(back row)* T. Leduc, B. Wynn, P. Lambert, K. Vogt, Mrs. Maher, Advisor; S. Morris, B. Busmanis, D. Howes, and J. McDade.

The Purple Key, under the guidance of Mr. Maurice Splaine, is a group of outstanding seniors selected by the school for responsibility and trust. Each student is given a post in a certain section of the school where it is his job to maintain orderliness in the halls, check students' passes, and to keep the students moving toward their classes between class periods. The Purple Key is basically an organization of students directing students.

French Club

Mrs. Danielle Giagrande, French Club Advisor.

Parlez-vous français?

In today's world where the younger generation are trying to get across that everybody's your brother, what could be more important than a club such as the French Club? In this club French students from grades nine through twelve break down the invisible barrier between two countries by learning to understand the culture, people, and language of France. The club is faced with the typical problem of raising money, and this year a cake sale was the answer. With the funds members went to see a French movie and also visited a French pastry shop.

Members are: *(kneeling)* G. Charette, D. Erikson; *(seated)* J. Willey, M. Gorczyca, S. McEndy, R. Fernandes; *(standing, row one)* J. Molitor, A. Fonger, C. Carvalho, L. Gefis, B. Lopes, J. 1969 Junior-Senior Prom

Marilyn Kearns joyfully accepts her crown as Queen of the Prom from Brian Lesperance.

The royal court consists of: Margo Brown, Robin Robitaille, Queen

The chaperones also enjoyed a night out.

Robin Robitaille and Roger Masse seem to be having a good time.

In spite of the crowd, the Grand March went very smoothly.

Marilyn, Paula Serode and Karen Brown.

The 1969 Junior-Senior Prom was an overwhelming success. The Old Grist Mill in Seekonk served once again as the setting for the annual event. "Scarborough Fair," the theme, filled the Grist Mill with the atmosphere of a quaint old-style carnival. The Junior Class exhausted many hours of diligent work in making the decorations fit the theme. The night reached its zenith after the Grand March, when our own "Carnival Queen" and her court were chosen. The entire evening was a tremendous success. Dancing to the music of the Don Mello orchestra was another treat. The Junior Class was delighted to hear that everyone immensely enjoyed the journey to "Scarborough Fair."

Cheryl Holbert, Ron Locke, Cathy Bennett and Keith Slobogan take their turn circling the floor during the Grand March.

Carol Bennett and Chuck Burbank are just in time topurchase tickets for the dance from Steve Rubin and Sue Rotenberg.

Senior-Student Council "Welcome Dance"

Mr. Splaine and Mrs. Kelly served as chaperones for the occasion.

The annual Welcome Dance, sponsored by both the Senior Class and the Student Council, was presented on October 4th, 1969. This dance is the first social activity of the school year. The upperclassmen greeted the Junior High as well as the Freshman to a night of entertainment and fun. Music was provided by the "Constant Splurge" and refreshments were sold in the lobby.

Beryl Reid is caught in the act of crashing the Men's Room.

Linda Jolly and Pat Wheeler are among those underclassmen welcomed to the first dance.

The Constant Splurge's drummer really knows his business.

The entire crowd agreed the band was very good.

Gene Rich and Beryl Reid—working on a groovy thing.

1969 Christmas Concert

Sandy Kalacznik accompanied the Concert Choir in the singing of "Sine Nomine."

On December 22, 1969, the L. G. Nourse School joined the high school in bringing the spirit of Christmas through Music to the people of Norton and the surrounding areas. Under the directions of Miss Lopes, Mrs. Valentine and Mr. Duke, the Concert Choir, Elementary Band, Children's Choir and Lancer Band provided an enjoyable adventure into the world of Music.

The audience which crowded the auditorium seemed very pleased with the night's entertainment.

The Elementary School Band joined in making the night a success.

"A Christmas Carol"

Diane Garceau and her date are buying tickets from June Silva.

The Christmas Dance, sponsored by the Senior class, was held on December 20, 1969 in the Norton High School Auditorium. The theme of our dance was "A Christmas Carol." All seniors helped to paint characters from the story which were drawn by Beryl Reid and then they were put in various places on the walls in the auditorium. The scenery was complete with a huge, tinseled Christmas Tree in the center of the dance floor. Throughout the evening, entertainment was provided by L.G.B. and the Soul Royalties.

Even when they are dancing, Kevin MacCaffrie and Mary Sigman have eyes only for each other.

The Three Stooges.

Hmmm ... this candy cane tastes good!

We are *still* wondering what kind of a dance Ricky Wynn and Jean Medas are doing!

Senior Class Play

Penny's Desk.

After many hours of rehearsal, the senior class finally presented the hilarious comedy by Moss Hart and George Kaufman, "You Can't Take it With You" on Saturday, February 7, under the direction of Miss Patricia Marcussen. Mr. Gaides and his elves were responsible for the stage settings and the Salvation Army provided the stunning wardrobe. The delicious refreshments, which included rocket juice, were supplied by Katy and Krew. The proceeds which were contributed by the capacity audience went to the Scholarship Fund of Norton High. The cast party was also a great success.

Operating in its second year the Norton High Scholarship Fund Committee has raised money in various ways in order to reach this year's goal of $2,500.00. The committee is comprised of interested juniors and seniors who are willing to spend a portion of their time in the various fund raising endeavors.

The means of raising money this year was selling candy, fruitcake, and stationery. Each member also distributed dime folders to Norton residents bearing the legend "Dollars for Scholars"—the motto of the scholarship fund. Roller Skating parties were sponsored approximately once a month at Clark Recreation Center; also the committee planned an auction for the spring.

This year we would also like to give our appreciative thanks to Mrs. Rounds who made two cake and pie sales possible through her own efforts and those of the girls who helped her.

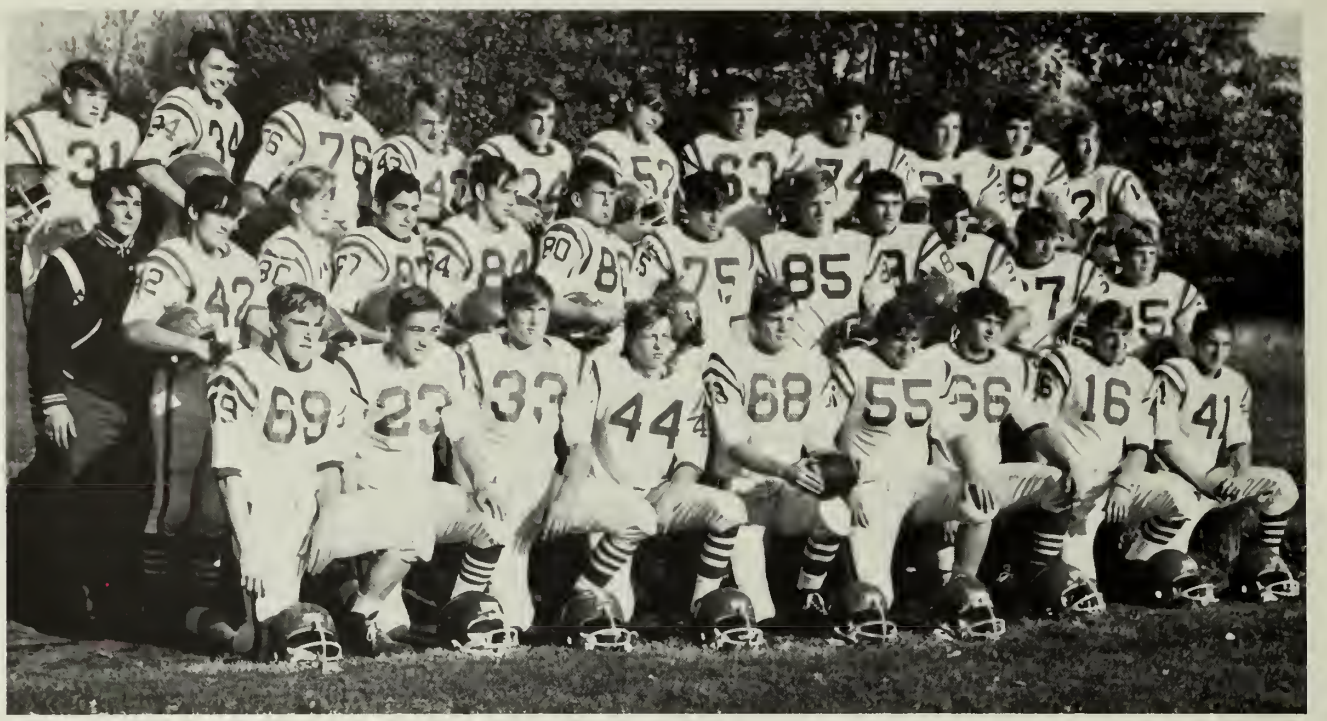
1969 Football Squad



1969 was not the most successful year for the Lancers. Norton became lost in tough league competition, and finished one step out of last in the division. The season, however, was not all gray. Senior Steve Nichols paced the Lancers grid at the quarterback slot, doing a fine job for his first year in that position. Seniors Dan Hooley and Captain Larry LaPointe gave the first-class blocking on the offensive and defensive lines. Hooley and Wayne Reay later went on to be chosen to the first string of the All-Bristol Team.

Norton waited for four games before hitting the victory trail. On a voyage to Martha's Vineyard, the Lancers illustrated good offense and defense in beating the Islanders 20-6. The previous week, the underdog Lancers held defending co-champion Medfield to a 6-6 tie at the end of the half, before Medfield flexed its muscles and strung out a 26-6 victory. The Lancers could not find the winning formula for the next three games, but they iced off the season with its third straight Thanksgiving classic with a win over Bellingham. It was the Senior's day, as Doug Reeves and Kevin Mahoney pulled in the touchdowns, and it was Junior Don main's conversion kick which let Norton come from behind all the way to shade the Blackhawks 15-14.

The Spirited Lancers played each game from start to finish. with one goal in mind: to win. Although this goal was achieved only twice in the season, the Lancers gained necessary experience to help in the seasons to come.

Freshman Football

Captains are: C. Perry, K. Beatty, and D. Hunt.

This year, the Norton High School Freshman team found their work cut out for them in non-league play. The Freshmen were winless in five starts. However, the experience gained in the games is of great value for the future varsity aspirants. Coach Howard Kelley will be looking forward to a strong front line next year, when Norton will enter the Tri-Valley Freshman League.

Cross Country

The Lancer Cross Country season of 1969 was filled with surprises, both pleasant and otherwise, for Coach Gaides and the Norton fans. Led by Captain Richard Rounds who was an injury victim the previous year, the Lancers jumped out to their finest start. The team rallied over Millis and Bellingham by overwhelming tallys before being edged by defending champs Dover-Sherborn. The Gaides' men were dealt their first injury blow of the young season when Chris Baker wrenched his back in the meet. The Nortonites then fell to their six defeats of the season before breaking out of their slump at Blackstone and downing Norfolk in the league finale. This year marked the first year that Norton was invited to the Northeastern Invitational Meet at Franklin Park where Chris Baker and Rick Peterson placed 66th and 103rd respectively out of a field of 200. At the conference meet, Norton placed 6th out of 11 teams in competition.

The Cross Country season was a gratifying one for lettermen Bob Haines, Chris Baker, Ed Emerson, and Richard Rounds who placed in every meet except one. With the return of Chris Baker, Ed Emerson, Steve Gray, and Ray O'Berg, Coach Gaides is looking forward to continuing the building of a fine Cross Country tradition at Norton High School.

Sprints are an important part of training.

Another rebound for Norton.

The Lancers could term the 1969-70 season as an "off season." Unlike in previous years, the Lancers were unable to fight in post-season play for the Tri-Valley league divisional championships. Like other teams in the Attleboro area, Norton did not qualify for Tech Tourney action.

The Lancers ran their record 0-7 before picking up a victory at Blackstone.

The Norton cagers then stumbled in the losing column for another seven games, and found themselves narrowly out of the League cellar. The Lancers met Blackstone at home and again won, this time by a thin 61-60 margin.

The Lancers capped off a rough season with an upset victory at home against Norfolk. Rick Silvia, Jay Ribeiro, and Dan Etter, helped keep Norton out in front throughout the game, and two sets of conversions from the charity stripe by Mike Araujo and Jim Bullock iced the victory.

Rick Silvia passes the ball to teammate Jay Ribeiro.

The J.V. Lancers had a somewhat disappointing record this past season. With Bill Ferguson and much of the sophomore and junior talent on the varsity, coach Nuttall was left with one of the youngest teams in the league. By the end of the season much of the load had to be carried by Marcy Abreau and Jeff Warchal, with help from Fred Beatty, Fred Hughes, Vernon Ferrini, and Dan Jackson. Despite this, the J.V.'s were in most of their games and with a few breaks should turn the record around this coming year.

Miss it and ...

Freshman Basketball

The Freshman Lancers of '69-'70 did not have the type of season Coach Nuttal's teams have experienced in the past. Due to inexperience of most of the team, the frosh were victorians in only two encounters. The bright spots for the young Lancers were the steady play of Jimmy Ribeiro, the shooting of Norman Briggs, and the rebounding of David Richmond.

Junior High School Basketball

This year's 7th and 8th grade teams experienced a very successful campaign this season. Both teams were extremely well coached and disciplined by coach Kelley. The 9 and 2 record of the 7th grade and the 5 and 7 record of the 8th grade is indicative of the kind of year they had in the tough Massasoit League. Both teams started slow, but came on strong at the end of the season. Both teams stressed teamwork and hustle, which led to victories for each team. We hope that these teams are indicative of the Norton Lancers of the future.

A strong senior pitching staff, coupled with effective batting led the 1969 Lancers to a playoff for the top berth of Division II of the Tri-Valley League. Art Bouchard, Ken Allen, and Bill Gorczyca all did their jobs on the mound. to help Norton compile its overall 10-5 record. Allen and Bouchard also joined the list with Rick Silvia, Chuck Burbank, and Ken McCarthy whose clutch-hitting brought Norton a playoff with Millis at Dover. The chips were down for the Purple and White, as they lost by a 6-0 score. Norton ended up with a respectable record. With seven veterans returning, Norton again is looking forward to becoming a strong contender for the Tri-Valley League crowd in 1970.

The fall of 1969 gave way to an All-Star field hockey game. Girls in grades 9, 10, and 11 with "all-star" ability and interest in this sport were selected for this game. The girls were assigned to one of the two teams; they, in turn, selected their team captains. The teams were equally skilled and practiced—which resulted in a fast-moving and exhausting game. This event provided such a success that, hopefully, this will become an annual event in the Physical Education Department.

Track Team

Working on a 3-6 record from last year, the 1970 Norton Track team is hoping to improve that record by at least 100 percent. With a variety of personnel, Coach Charles Gaides is looking forward to a strong team in both running and field events. The captains for the team are Ray Jackson and Doug Reeves.

The Lancers have no home meets due to a lack of facilities. Some of Norton's Tri-Valley meets may be held at Feehan High School, however. Overall, the Lancers look strong in area competition, and hope to finish with a winning season.

As the year and date for which we have continually worked closes in upon us, we begin to see ourselves as individuals whose charge it is to move from one aspect of life to another with mature minds. For some of us, Norton will be our home; and for many, it will be our memory; but for all of us, Norton High School will resurrect the times we succeeded and the times we failed, the relationships we cherished and the security we found. Each of has chosen a path which only our aspirations will enable us to pursue.

Standards and rules have been imprinted on our minds; opinions and ideals have been impressed upon us; and, now, on the path we are to take, we seek to form our own ideals. We are Ready.

We the 1970 graduating class of Norton High School are individuals who have reached another fork in our life's sojourn and we must look back, bid farewell, and start on the road before us.
